

2024 FALL LEADERSHIP INSTITUTE FREQUENTLY ASKED QUESTIONS (FAQs)

Please read the [2024 Fall Leadership Institute page](#) of the FCCLA website for all the detailed information regarding the two events.

1. Who can attend the new Fall Leadership Institute?

The Fall Leadership Institute is open to all affiliated members and recommended for engaged leaders at the chapter, region, and state level.

2. Why is there limited spots?

Since this is a pilot year, spots are limited to 240 affiliated student members in Orlando and 250 affiliated student members in Anaheim. We hope to grow this program in the future and open it up to more students.

3. How many students from one chapter can attend?

To allow more chapters to attend, we ask that you only bring a small group of no more than three members this year. We want as many members from across the country to experience this opportunity.

4. How many Disney workshops will each student have? When are they?

Each student will have a total of two Disney workshops. The student will be assigned a workshop each day. They will have one morning workshop and one afternoon workshop over the two days.

5. How many official chaperones can attend the Disney workshops with the students?

Disney only allows one chaperone per small group session (15 students) to attend and assist.

6. If I am not selected to be an official chaperone, what will I do while the students are in session?

All advisers/chaperones will have Disney park tickets for the same park as their student. You will drop off your student(s) at the designated meeting spot at the specified time. You are on your own until the scheduled pick-up time to pick up your students following their Disney session.

7. What if my school requires me to be with my student(s) at all times?

If you are not chosen to be an official chaperone for the Disney sessions, then you will not be able to be with your student(s) at all times. FCCLA recommends not attending the conference if your school has this rule. Registrations are non-refundable and we cannot guarantee you will be selected as a chaperone.

8. How do I register for the conference?

Login to the FCCLA Portal or go to <https://affiliation.registermychapter.com/fccla#>. Once you login select 'Meetings & Events' then '2024 Fall Leadership Institute-Location'. Register chapter advisers and members using the 'Register Students' and 'Register Advisers' buttons. Next, you will need to register any chaperones or parents attending with your students using the 'Register Guests' button. Once attendee information is entered, ensure to select 'Accept Disclaimers and Waivers' and then select 'Submit

Registration’ and **‘Create Invoice**’ to complete the registration(s).

9. Is the hotel included in the registration? Are meals included?

No, the hotel is in addition to the registration rate. Once registered, you will receive a registration confirmation email with the housing link to the FCCLA hotel block at the specified hotel.

Two meals are included with the registration rate. These meal certificates will be good for a lunch or a dinner and include an entrée, one side, and a drink. They are good at selected restaurants in each Disney park. The remaining meals are on your own.

10. Why is the registration non-refundable?

FCCLA has to purchase the Disney workshop tickets, Disney Park tickets, Disney meal certificates, and custom t-shirts in advance, therefore, we cannot provide refunds for the pre-purchased items. It is important to note that if you are unable to attend, you will be liable for the full cost once you have submitted the registration. You can however substitute to another person within your chapter.

11. Are we required to stay in the FCCLA hotel?

Yes, FCCLA contracted room rates and cost of meeting space are based on anticipated room pick-up. Registered attendees must stay within the official meeting hotel block when attending the conference.

Attendees not staying within the official conference hotel block will be assessed a \$125 fee per registration. This policy will not be implemented once the hotel block is sold out. Lack of availability of a preferred room type will not provide an exemption from this policy.

12. Will the Disney Park ticket be good at any park?

Each Disney Park ticket will be assigned to an individual. A reservation for a particular park each day will be assigned to the ticket. The park assignment will be based on where your student(s) Disney workshop is that day. Each ticket is a park hopper pass so you will be able to hop between parks on any given day. You must go first to the park that your reservation is assigned to. FCCLA will notify each student and adviser of their assigned tickets and parks each day.

13. What else is happening besides the Disney workshops and Parks?

FCCLA will have dedicated sessions at the hotel. Sessions will be led by FCCLA staff and the National Executive Council. These sessions will enhance the Disney methodology and help reinforce learned concepts to take back to the chapter and community. A more detailed schedule will be released at least 6 prior to the event.
