

Family, Career and Community Leaders of America, Inc. Summary of the February 2019 Winter Board of Directors Meeting

Dear FCCLA Constituents,

The Family, Career and Community Leaders of America (FCCLA) National Board of Directors recently held their Winter meeting. The Committees of the Board presented their reports and discussion was held on new and pending matters.

At this meeting, the Board approved to suspend Largest Percentage Increase Region Awards indefinitely, effective immediately. The Largest Chapter Award will continue to be presented at the 2019 National Leadership Conference.

The following is a summary of Board considerations and action items that will continue to be discussed at the next scheduled meeting in May:

- Streamlining membership by updating the FCCLA membership categories from occupational and comprehensive to one category. This action would require an amendment to the bylaws.
- Re-scaffolding National STAR Events into three grade-level tiers to prevent confusion and promote fairness and consistency.
- Expanding and restructuring Alumni & Associates to build opportunities for supporting current and former members.

Thank you for your dedication to FCCLA and the leadership you provide to increase the impact of FCCLA on the students, teachers, and communities in your state.

Sincerely,

Reno Palombit
