

CAREER EXPLORATION THROUGH FCCLA

FCCLA made a concentrated effort to illustrate the connection of FCCLA and Family and Consumer Sciences (FACS) to career pathways and hosted a focus group to assist us in this process. A survey of business and industry stakeholders found that FCCLA most directly supports career pathways in the hospitality and tourism, visual arts and design, education and training, and human services careers.

FCCLA National Programs and Competitive Events support CTE students' development of knowledge and skills, enhancing the classroom experience and career pathway initiatives. FCCLA is integrated into FACS and is intracurricular, exposing students to work-based learning, business and industry networks, and industry-recognized certifications. FCCLA members explore career opportunities and build their real world skills by developing projects, engaging and participating in events, and competing regionally and nationally for scholarships and awards.
