

September 1, 2017

Dear FCCLA,

Our hearts go out to our friends across the country as many states deal with the aftermath of the recent natural disasters. We remember those who have been lost and seek to help those who will have to rebuild. While these tragedies are immensely challenging and seemingly overwhelming, we know these regions will rebound as that is the spirit of our country.

FCCLA is committed to helping our chapters that have been displaced or may have lost possessions because of these recent natural disasters. To assist in meeting these needs, the National Executive Council has committed to donate all monetary contributions given to the IMPACT fund through December 31, 2017 to those chapters impacted from these disasters. These tax-deductible donations will be distributed as emergency relief funds for FCCLA chapters in need.

As FCCLA members, and as a family, it is our time to help. We would like to encourage each of you to join us in raising support for our fellow chapters in need by donating to the IMPACT Fund. Any contribution is appreciated, and will make an incredible difference in the lives of our members as they move forward.

We are confident in our ability as an FCCLA family to support one another and rebuild together. To be a part of this effort, please [click here](#) to make your contribution. The months ahead will be tough, but together we are strong.

Sincerely,

National Executive Council
