2016 National Leadership Conference

July 3-7, 2016
San Diego, CA

#2016NLC /NationalFCCLA @NationalFCCLA @NationalFCCLA
**Empower Yourself!** The FCCLA theme for the 2015-2016 school year is Empower and speaks to making the right choices and committing yourself to making a positive impact within your family, your school, FCCLA, and your community. The logo that accompanies this theme shows the reverse “mepower” to illustrate that the power to affect this change lies within all of us.
FCCLA Purposes:
1. To provide opportunities for personal development and preparation for adult life
2. To strengthen the function of the family as a basic unit of society
3. To encourage democracy through cooperative action in the home and community
4. To encourage individual and group involvement in helping achieve global cooperation and harmony
5. To promote greater understanding between youth and adults
6. To provide opportunities for making decisions and for assuming responsibilities
7. To prepare for the multiple roles of men and women in today’s society
8. To promote Family and Consumer Sciences and related occupations

FCCLA Mission: To promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner, and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

FCCLA Creed: We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America’s future, homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams. We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope.

EXECUTIVE DIRECTOR’S GREETING

Welcome to the 2016 FCCLA National Leadership Conference! On behalf of the FCCLA National Officers, Board of Directors, and National Staff, it is my pleasure to welcome you to the great city of San Diego, CA!

It’s time to participate in one of the most exciting events with FCCLA, right here in sunny San Diego! We hope you enjoy all of the fun activities this city offers and make many lifetime memories with other FCCLA leaders. This NLC offers some amazing opportunities for you to be EMPOWERED as you enhance your MEPOWER. Explore all that NLC has to offer by attending the general sessions and various workshops and trainings, visiting the exhibit hall and participating in the college expo, attending the Visa Financial Football workshop with NFL players, and checking out the Ford Driving Skills for Life event at QUALCOMM stadium. Let your friends, family, and followers all know how proud you are to be a part of FCCLA and this year’s conference by posting pictures and updates on social media, tagging your posts with #2016NLC.

The theme of this year’s conference is “EMPOWER, MEPOWER”, recognizing that in order to EMPOWER others, you first have to find your MEPOWER, what you’re truly capable of. Through that, you can create real change. We are confident that this week will provide countless occasions for you to learn how you can EMPOWER yourself and others through great learning and networking opportunities.

This week I ask you to reflect on this quote from John C. Maxwell: “Leaders become great, not because of their POWER, but because of their ability to EMPOWER others.” The opportunities that you have at NLC to strengthen your leadership POWER can begin to make a powerful wave of youth strength that can change our world. You are our hope and inspiration, and I look forward to meeting many of you this week.

Sincerely,

FCCLA Executive Director

Family, Careers and Community Leaders of America
1910 Association Drive
Reston, VA 20191-1584

Dear National Family, Career, and Community Leaders of America,

It is my honor to welcome the youth leaders from Family, Career, and Community Leaders of America (FCCLA) to the 71st National Leadership conference being held in California’s 52nd Congressional District. The FCCLA has been instrumental to transforming the lives of young men and women across the nation by providing them and their families with the resources necessary to achieve personal and professional success.

Educating students to manage the hardships that come with everyday life, by taking care of themselves and those around them, is necessary to unlocking the unique leadership potential found in each individual. On behalf of my district, thank you for choosing San Diego to be a site where our future leaders can grow and cultivate the key American values of personal responsibility and political efficacy. Please accept my best wishes for the event.

Sincerely,

Scott Peters
Member of Congress

Dear Family, Career and Community Leader of America,

Please let me introduce myself. I am Takashi Miyakawa, the adult chairman of the Future Homemakers of Japan. Thank you for continuous support. On behalf of the FHJ, may I just say a few words on the 2016th FCCLA National Conference. Congratulations.

First of all, I really appreciate all the opportunities for the exchange students from Japan and your kind support. This year, two students, Yurina Sugano and Akari Nemezawa, will participate in this studying abroad program as representatives of the FHJ. We are very looking forward to seeing them with full of knowledge and experiences. Thank you for your cooperation always.

By the way, today’s Japanese lifestyle is based on what Japanese people learned from the American lifestyle in many years ago. I would like to express my respect to all the FCCLA members, who are solving issues as leaders of youth for the happiness of every individual, and would like to continually learn more things from you.

On the other hand, “Japonism”, such as Japanese cuisine, draws global attention. I think you might be interested in Japanese lifestyle, the spirit of hospitality, and manufacturing of Japan.

I hope that we make more opportunities for our interaction and pursue happiness together as global citizen. We appreciate your continuous cooperation.

At last, I would like to conclude by wishing that FCCLA will have many more successful years and that our bonds will become firm like cornerstones of world peace. Thank you.

Yours sincerely,

Takashi Miyakawa
The Adult Chairman of FHJ
ADVISER / CHAPERONE RESPONSIBILITIES
Advisers and chaperones are responsible for the behavior and discipline of their students throughout the conference. Students causing a disturbance or displaying inappropriate behavior will be asked to leave the conference and their hotel.

- The National Association of Secondary School Principals (NASSP) requires one adult chaperone for every twelve high school or ten middle school students attending NASSP sponsored conferences. Please be advised that your local school district may have specific rules that require a higher adult chaperone to student ratio. You should follow the rules of your school district if the requirements are higher than those set forth by NASSP sponsored conferences.
- There is a 12 midnight in-room curfew each night for student attendees. This curfew should be enforced by advisers/chaperones and will be strictly enforced by the hotel security. This curfew is for the safety of the students and in respect of other guests staying at the hotel(s).
- Advisers/chaperones are responsible for enforcing the Mandatory Dress Policy. The Mandatory Dress Policy applies to delegates, advisers, guests, and all other attendees at the National Leadership Conference. Thoroughly review and impress upon your delegation the importance of adhering to the Mandatory Dress Policy. Emphasize that any individuals not adhering to the Mandatory Dress Policy will not be admitted into sessions, the Exhibit Hall, or STAR Events Recognition Sessions.

CONFERENCE GUIDELINES
Delegates are expected to attend and participate in all sessions, workshops, and activities so they gain as much as possible from the conference. Students who disregard the rules will be subject to disciplinary action and may be sent home at their own expense. Parents/guardians will be notified. All conference attendees should be informed of the following:

- Behavior at all times should be such that it reflects a positive, professional image of you, your school, your state, and the organization.
CONFERENCE GUIDELINES

• Be on time for all sessions and remain until sessions are adjourned.
• Name badges are required for admission and must be worn when attending sessions. Replacement badges are $5.00 and can be purchased at the FCCLA Registration Desk. All funds collected will be split between the IMPACT Fund and Alumni & Associates.
• Any accidents, injuries, or illness should be reported to an adult chaperone immediately. National staff should be informed of such incidents and an incident form should be completed.
• If a student is found responsible for stealing or vandalism, the student and their parents/guardians will be expected to pay all damages.
• Students may not purchase, possess, consume, or be under the influence of alcohol or illegal drugs at any time. Violators will be subject to stringent disciplinary action.
• Smoking is prohibited.
• Use of air horns or other noisemaking devices will not be permitted during the general sessions or throughout the convention center or hotels.
• Be considerate of sleeping hours and the privacy of other hotel guests and FCCLA members. All students will observe the 12 midnight in-room curfew.
• Check your room carefully before departure. Be sure all personal belongings have been removed before checking out of the hotel.

CONFERENCE PHOTOGRAPHY RELEASE

FCCLA photographers and videographers will be taking photos and video throughout the conference for use in any manner FCCLA deems appropriate including, but not limited to, FCCLA publications, use on the FCCLA website, and in connection with Competitive Events. Names will not appear on photos or in videos. By attending the conference, you grant FCCLA the right, without approval, to photograph, record, use, and edit your photograph, video, image, likeness, appearance, performance, and any other indicia of identity, in any format whatsoever, and to publish, disseminate, exhibit, publicly display, give, sell, and/or transfer the same in any and all forms of media or distribution now known or hereafter discovered or developed (including, but not limited to, print media, internet, web casting, video streaming, television, or radio), for the use of FCCLA, its affiliates, or any individual, organization, business, publication, network or other third party, in perpetuity, without payment or any consideration.
MEALS
Participants are expected to purchase meals on their own. There are many options at a variety of price points within walking distance of the hotels and convention center. For local restaurant suggestions, visit the Host State Hospitality Desk.

ELEVATOR ETIQUETTE
• Students should be courteous to others in hotel and convention center elevators.
• Keep voices at low levels.
• Let people exit elevators before entering.
• Do not push buttons for unnecessary floors.
• Do not fill the elevators beyond posted capacities.

HOTEL SAFETY
• Read the emergency instructions on the back of your hotel room door.
  Familiarize yourself with the fire escape route.
• Count the number of doors between your room and the nearest exit.
• Do not leave your door open, and always use the dead bolt.
• Do not open your hotel door to anyone you don’t know. Call the front desk to verify hotel staff, security guards, and others requesting entrance to your room.
• Do not say your room number in public.
• Do not leave valuables out in the open. Many hotels provide in-room safes or lock boxes for the security of valuable items.

ESCALATOR SAFETY TIPS
• Use care when stepping on and off escalators.
• Hold the handrail.
• No bare feet and avoid wearing floppy sandals and open-toed shoes.
• Do not run up or down the steps.
• Do not walk up the "down" escalator or down the "up" escalator.
• Keep feet away from the side edges of steps.
• No carts or strollers.
• Tie all shoe laces.
• Stand to the right when riding an escalator.
• Pass a person standing on an escalator on the left. (Stand to the right; walk to the left.)
GENERAL SAFETY

• Go for the RED.
  • R - REACT: Take information around you seriously. Pay attention.
  • E - EVALUATE: Judge the level of threat to your safety or the safety of others.
  • D - DECIDE: Decide if you need to take immediate action or seek help.
• Do not wear FCCLA badges or nametags outside of FCCLA events.
• Travel in groups and refrain from visiting with strangers.
• Students need to make sure your adviser knows where you are.
• Carry a cell phone. Make sure people closest to you know how to reach you.
  Make sure you know how to reach other members of your group, including
  chapter members, chaperones, and your adviser.
• Report emergencies immediately.
• Locate emergency exits and fire alarms.
• Download the FCCLA 365 App. In the event of an emergency, a push notification
  will be sent to your phone through the app.
• FCCLA recommends that no FCCLA attendees visit Tijuana.

WHAT SHOULD I DO IF...

... I LOST MY ROOM KEY?
A new room key can be issued at the front desk of your hotel. Be sure to bring
identification, like a driver’s license or other photo ID.

... THE FIRE ALARM GOES OFF?
If the fire alarm goes off and you are in your hotel room, you should refer to the
emergency instructions on the back of your hotel room door. Check the door for heat
before opening. You may want to designate a particular area outside the hotel for your
chapter/group to meet. If there are any attendees that need special assistance, please
compile a list for the front desk so that they can help.

... I NEED TO CALL SECURITY?
Simply dial “0” and the hotel operator will connect you.

... MY WALLET OR OTHER VALUABLES ARE MISSING?
Report missing items to security by dialing “0” from your hotel room. You should also let
your adviser know. In addition, you may want to check at the FCCLA Registration Desk.

ANNOUNCEMENTS

Only announcements that apply to the entire delegation will be made at general
sessions. Advance approval by FCCLA national staff is required.
CONTINUING EDUCATION UNITS
Adults participating in the Continuing Education Credit program at the National Leadership Conference may receive up to 1.5 Continuing Education Units (CEUs). The CEU fee of $20 is nonrefundable, and required attendance verification forms for participants will be available in the chapter registration packet if registered in advance. You can also purchase onsite at the FCCLA registration desk. Check with your certification office or degree-granting institution to determine if the CEUs will apply toward your professional development program.

PROFESSIONAL DEVELOPMENT UNITS
Certificates of Professional Development Units (PDUs) for individuals seeking continued certification through the American Association of Family and Consumer Sciences (AAFCS) will be available onsite. All participating individuals certified in Family and Consumer Sciences are responsible for complying with AAFCS requirements regarding annual reporting. Certificates of completion will be available at the registration desk.

MANDATORY DRESS CODE POLICY
Approved by FCCLA’s Board of Directors, September 2015
The National Leadership Conference is an excellent opportunity for members to convey to others the positive and professional image of FCCLA. Members’ behavior in the hotels and throughout the National Leadership Conference is the only image that others in the hotel and host city may ever have of our organization. Student conduct and dress should contribute to the positive and professional image of FCCLA. The FCCLA official uniform is always appropriate and strongly encouraged for student delegates. If not wearing the FCCLA official uniform, the mandatory dress code below must be followed.

Thank you for your cooperation and support in putting forth a positive image of FCCLA throughout the National Leadership Conference!

Art Institute of San Diego
Visit us at our booth to learn about our FCCLA tuition scholarships that range from $1,000 to $12,000.* Also learn about the Art Grant.** When our students maintain continuous enrollment and satisfy other eligibility criteria, every 12 credits they complete can earn them money towards tuition.

* Amount varies based on specific scholarship criteria. Go to Ai-Scholarships.com for complete details.

** The Art Grant is offered at all Art Institutes schools except for The Art Institute of Vancouver and The Art Institute of Pittsburgh—Online Division. Amounts vary by location. Check with the school you’re considering attending for exceptions and details.

The Art Institutes is a system of over 50 schools throughout North America. Programs, credential levels, technology, and scheduling options vary by school and are subject to change. Not all online programs are available to residents of all U.S. states. Several institutions included in The Art Institutes system are campuses of South University or Argosy University. EXHIBITS INFORMATION
Exhibitors provide FCCLA members and advisers with information about career options, educational resources, fundraisers, and training opportunities available to them. See pages 57-68 for a full listing of exhibitors present at the conference. On Monday, July 4, from 8:00 AM - 9:00 AM, Chapter and State Advisers will have an opportunity to visit the exhibit hall before it opens to all attendees.

ROAD MAP OF THE EXHIBIT HALL
Pick up your “Road Map of the Exhibit Hall” at the exhibit expo entrance and work your way to the prize wheel! Every time you visit an exhibitor, have them stamp by their name. For every 15 exhibitors you visit, you receive one spin at the prize wheel.

Bring your road map to the prize wheel at the back of the exhibit expo to take a spin!

EXHIBITOR WORKSHOPS
Workshops will take place in the Grand Ballroom 5-9 and 10, Lobby Level, (MM) throughout the conference. Seating will be available on a first-come, first-served basis. Please refer to the Conference Schedule for workshop sessions and times.

Bylaw Change Proposals

The Board of Directors propose the following bylaw changes:

ARTICLE VII
Section 4.
C. One regular meeting of the board shall be in conjunction with the National Leadership Conference. One regular each meeting each year shall be at the site of the national headquarters or at a nearby location determined by the executive committee. Location: The location(s) of regular meetings will be determined by the executive committee. Special meetings shall be designated by the board or executive committee.

Rationale of the Board of Directors for this proposed Bylaw amendment is to provide the necessary flexibility of the Board of Directors to determine the best locations for Board of Director meetings without binding the actions necessitated to comply with the restrictions of the current bylaw.

ARTICLE VII
Section 4.
D. Notice. The board shall establish a calendar of regular meetings at least six months in advance upon the recommendation of the executive committee.

Rationale of the Board of Directors for these proposed Bylaw amendments is to provide the necessary flexibility of the Board of Directors to determine the best timing for Board of Director meetings without binding the actions necessitated by the Board to calendar deadlines that could cause necessary delay of the meeting schedule to comply with the restrictions of the bylaws. Currently, the previous Board needs to establish the calendar for the future Board in order to meet the six month timeline.

ARTICLE VII

Section 2.
Membership
The National Board of Directors shall consist of members elected by related organizations and groups, members ex officio, youth members, and members elected by the board, the total number of which shall not exceed 19 12.

A. Members Elected by Related Organizations and Groups. There shall be seven five (5) directors elected by related organizations and groups (according to their election procedures) as follows: Family and Consumer Sciences teacher educator who shall be elected by the Family and Consumer Sciences Education Association; two (2) (1) state administrators of Family and Consumer Sciences who shall be elected by the National Association of State Administrators for Family and Consumer Sciences; two (2) state advisers of Family, Career and Community Leaders of America who shall be elected at the State Advisers Management Meeting; and two (2) local advisers elected by the local advisers attending the National Leadership Conference, of which one shall
be teachers of comprehensive Family and Consumer Sciences and one of which shall be a teacher of occupational Family and Consumer Sciences.

B. Members Ex Officio. There shall be six five (5) ex officio members of the board as follows: a United States Department of Education representative from the Office of Vocational and Adult Education who is Family and Consumer Sciences education program specialist with primary responsibility for Family and Consumer Sciences education programs; vice-president of the Family and Consumer Sciences Education Division of the Association for Career and Technical Education; executive director of the American Association of Family and Consumer Sciences; the National Executive Council president; the National Executive Council Vice President of Finance, the immediate Past National President, the immediate past National Vice President of Finance, the immediate past chairperson of the board of directors; and the executive director.

C. Youth Members. In addition to the current president of the National Executive Council, there shall be three youth members as follows: the most recent past president of the National Executive Council, the current National Executive Council vice-president of finance and the most recent past National Executive Council vice-president of finance.

D. Members At-Large. There shall be two one (1) member representing business and industry and one (1) secondary school administrator.

Rationale for these proposed changes follows:

The current Board of Directors is comprised of 24% state and chapter advisers, 23% youth leaders, and 53% affiliated group members such as business and industry, NASAFACS, ACTE, AAFCS, FCSEA, OVAE, and school administrators. The proposed new Board of Directors would be comprised of 36% state and chapter advisers, 37% youth leaders, and 27% affiliated groups including NASAFACS, business and industry, and a school administrator. This proposed Board will provide higher governance representation by those who are more directly impacted by the strategic guidance provided by the decisions of the Board of Directors and still include a balance of guidance from partner experts.
The board reviewed the size of the FCCLA Board of Directors and the FCCLA annual budget in comparison to the other CTSOs and found the FCCLA Board of Directors membership numbers to be the higher than all other CTSOs, except for FFA, but an annual budget that is lower than all but two other CTSOs as reported on their 990. According to research by the Board, the FCCLA Board of Directors is not balanced in size according to its membership and budget size. Examples include the other CTSOs and AAFCS.
The proposed reduced size of the FCCLA Board of Directors will save FCCLA funds and/or provide opportunities for the Board of Directors to convene more frequently. Currently FCCLA spends approximately $80,000 in travel and lodging for the Board to convene twice a year. On average, the organization spends approximately $4,000 per FCCLA Board member per year. The cost savings is estimated at $32,000 which can be redirected to other membership services or provide an opportunity for the FCCLA Board to convene for a third meeting each year.

The positions of affiliated members that the bylaw proposal reassigns will be encouraged as partners to serve on FCCLA Advisory Councils. These affiliated groups do not currently offer an equal position for FCCLA on their Boards. FCCLA serves in roles of advisory positions or partners. The proposed makeup will provide an equal partnership relationship with these affiliated groups. These members will instead be able to join more of their counterparts on FCCLA Advisory Councils to advise FCCLA direction on areas that directly relate to topics within their expertise such as career pathway alignment, professional development options, partnerships, and advocacy efforts.

The Advisory Councils will be established if this bylaw proposal passes and will be based on data and information of other successful advisory roles. Advisory Council members will provide support from their respective organizations or companies to participate in meetings that may be electronic or in person. This investment of time and resources by affiliated partners on the FCCLA Advisory Councils will strengthen FCCLA and provide an opportunity for FCCLA partners to assist in advising the Board of Directors on non-governance matters. This bylaw proposal will allow the voice of our expert affiliates to guide FCCLA in a role that better provides guidance in their prospective areas of expertise but still keep a balance of advice on the proposed new Board makeup in addition to allowing FCCLA to be governed by those who are most impacted by the decisions of the governing body.
Explore the Unlimited Possibilities of FCCLA by attending one or more of the fall 2016 national meetings!
