FCCLA Announces New Board Member Shannon B. Roberts

Robert's extensive experience as an FCCLA Adviser and involvement at all levels of education will support FCCLA's mission of bringing quality educational experiences to youth.

September 19, 2018 – Family, Career and Community Leaders of America (FCCLA) announces the appointment of Shannon B. Roberts as a new member of its Board of Directors. The FCCLA Board consists of members elected by related organizations and groups, members ex officio, youth members, and members elected by the board.

Longtime FCCLA Adviser, Shannon B. Roberts has agreed to join the Board of Directors. “We are honored and delighted to welcome Shannon. She brings an extensive knowledge of FCCLA chapter and state involvement. Her understanding and viewpoints will be key in engaging more youth throughout the country,” Sandy Spavone, Executive Director FCCLA.

As an FCCLA Adviser and Family and Consumer Sciences Teacher, Shannon B. Roberts has guided her students for 16 years. When she began working at Mason County Middle School, the FCCLA chapter was in its infancy. Through hard work and team building she successfully grew that chapter to one of the largest in Kentucky. She is a leading voice in the Kentucky FCS community and has created joint events with other Career and Technical Student Organizations. She’s worked tirelessly to expand her student’s experiences outside of the classroom. Through partnerships with local education extensions, she was able to broaden her student’s culinary experiences. Now working at Mason County High School, she has made her chapter one of the most active in Kentucky. Shannon will be serving as the Occupational Adviser Representative on the FCCLA Board of Directors.

For more information on FCCLA or to attend or arrange interviews regarding FCCLA Board of Directors, please contact Christy Ronaldson at (703) 716-1308 or cronaldson@fcclainc.org.

About FCCLA

Family, Career and Community Leaders of America (FCCLA) is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences education. FCCLA has more than 160,000 members and more than 5,300 chapters from 49 state associations, Puerto Rico and the Virgin Islands.
