- If you could go back to any moment in your life and re-live or re-do it, what moment would it be? Would you simply experience it again, or would you do something differently?
- If someone made a movie of your life, who would play the starring role and why?
- What made you feel mad, sad and glad today?
- What do you want to be when you grow up?!
- What is the funniest/weirdest dream you ever had?!
- If you could trade places with your parents for a day, what would you do differently?
- If you could turn invisible, where would you go and what would you do?
- If you could change anything in the world, what would you change and how?
- If you could wake up tomorrow with a superpower, what superpower would you want to have?
- If you could master a new skill tonight, what would it be?
- What was the best gift you've have received? The best one you've ever given?
- If salary wasn't important and talent wasn't necessary, what would be your dream job and why?
