civic responsibilities
   1.3.5 Analyze the effects of public policies, agencies, and institutions on the family

Area of Study: 7.0 Family and Community Services
Competencies: 7.2.1 Explain the roles and functions of individuals engaged in family and community services
careers
Comprehensive Standard: 7.4 Evaluate conditions affecting individuals and families with a variety of
disadvantaging conditions.
Competencies: 7.4.1 Assess health, wellness, and safety issues of individual and families with a variety of
disadvantaging conditions.
Comprehensive Standard: 7.5 Evaluate services for individuals and families with a variety of disadvantaging
conditions.
Competencies: 7.5.2 Analyze ways in which individuals with disadvantaging conditions affect the family and
Family members financially, socially, physically, and emotionally.

Area of Study: 14.0 Nutrition and Wellness
Content Standards: 14.1 Analyze factors that influence nutrition and wellness practices across the life span.
Competencies: 14.1.1 Explain physical, emotional, social, psychological, and spiritual components of individual
and family wellness.
   14.1.4 Analyze the effects of global and local events and conditions on food choices and practices.
| **Lesson Plan Goals & Objectives** | To understand the causes and effects of hunger and nutrition in areas around the world.  
| | How children and families are affected.  
| | What resources are available and how we can help. |
| **Materials Needed** | Feed the Children Video from website  
| | Computers, internet  
| | Smart board, Power Point |
| **Introduction of Subject** | Watch Feed the Children video on the Smart board.  
| | Discuss some causes and ideas on how we can help. |
| **Activity 1** | Discuss causes and effects of hunger around the world, the U.S., state, and our own city or county. Choose a specific country or state affected by hunger. Students will research statistics on causes, related diseases from malnutrition, how it affects families, if there are resources available to help. |
| **Activity 2** | Students prepare a paper using the information researched. The paper will include a cover page and a works cited page. |
| **Activity 3** | Students create a Power Point presentation for the class, and present. |
| **Summary/Evaluation** | Create and facilitate an FCCLA project for Feed the Children national project, and report the project to state and national FCCLA. |
| **Other Resources** | (e.g. Web, books, etc.)
