National FCCLA STAR Events Online Testing Instructions

To: FCCLA Advisers with participants in –
• Applied Math for Culinary Management
• Parliamentary Procedure

From: Christine Hollingsworth, Competitive Events Manager

=====

Testing for Applied Math for Culinary Management and Parliamentary Procedure will take place prior to National Leadership Conference. The testing window for participants is May 6-22, 2019. The testing window is open from 8:00 AM to 8:00 PM Eastern Time for the dates listed. Support will be available from 8:00 AM – 5:00 PM Eastern Time, Monday through Friday only.

In order to test, students must have their membership ID, found in the online FCCLA portal. Students will log into the testing site – https://www.answerwrite.com/fccla/na-star - and use their membership ID and the password “NLCTesting19” to log in to begin the test.

During the testing process, a school administrator will serve as the test proctor. Please follow these instructions:

- A school administrator (principal, counselor, curriculum director, etc.) will serve as the test proctor. Chapter advisers may not serve as the testing proctor.
• All members of the team must take the test at the same time. If a team member is absent from the schedule testing time (all tests take 30 minutes) then the absent team member will receive a “0” score.
• The proctor must supervise the students throughout the entire testing time. Students may NOT take the test at home.
• Only the registered student may take the exam.
• One calculator is allowed per participant for the Applied Math for Culinary Management test, but devices such as tablets or phones with calculator apps are not allowed. Blank paper and a pencil for calculations are allowed for all tests.
• If a student has a question about a test item, proctors can repeat the question for the student, but cannot help the student come up with the answer. The proctor must ensure that the student is not using resources during the exam. Participants may not bring reference materials for use during testing.
• Students will need computer and internet access. Students can test simultaneously with the only limitation being the number of computers that are available at the testing location.

- For a Student to take a test, they will need their Membership ID number and the password “NLCTesting19”. All students will use the same password in conjunction with their unique Membership ID number.
- Once the student has logged on to the Student Testing Site, the student must NOT leave the testing window until they have submitted their test.
- All unfinished answers are scored as incorrect answers.
- The test has a 30 minute time limit - the timer is located in the upper right-hand corner of the screen once the student starts the test.
- When the test is completed, the student **must click the “SUBMIT” button** at the bottom of the test in order for the test to be scored and recorded.
- If a student has an emergency, they must select the “X” in the upper right-hand corner of the screen. Once the Student is able to return to finish the test, the student will logon with their Membership ID and the password.

After all students have completed the test, the proctor must sign the Test Verification document, scan and email it to competitiveevents@fcclainc.org, or you can fax it to 703-439-2662. Please return the form no later than Friday, May 24.
