APPLIED MATH FOR CULINARY MANAGEMENT

EVALUATORS

General Information:

- Become familiar with the rules, point summary forms, and the rubric criteria. Question any criteria not understood. Remember that individual state event rules often differ from national event rules, and that national rules must be followed for the national competition.
- Do not request that participants hand you items – instead, please stand up for a closer look.
- When completing the rubric, circle the chosen score. Write the appropriate rating in the points column and write comments on the bottom or back of the rubric. All scores should be whole numbers (i.e. do not give individual rating categories 2.5 out of 5 points.) Specific and constructive written comments serve as a valuable source of feedback for the individuals and teams. Record Total Points. Verify point total and initial by the total point box.
- Remember that students are to follow the rubric and guidelines – please evaluate them according to these criteria and not to what you think they “should” have done (if not required/addressed in the event guidelines).
- Compare ratings with other evaluators and discuss the scores given to each student. The adult room consultant will then total scores and determine the average rating. Together, the evaluators will review the score and come to a consensus on the rating. **Although evaluator scores will vary, we recommend that all three evaluator ratings be within a 10-point range.** If the scores are outside a 10-point range, discuss the criteria and make sure there is a consensus between evaluators to standardize the participants score. Total scores should NOT be rounded.
- Rubrics and point summary forms are to be turned in to the room consultant at the end of the presentation, NOT held by evaluators until the end of the day to be adjusted.
- The decisions of the evaluators are final.
- Please discuss any suggestions for improvement on your event with the event lead consultant. Your comments are welcomed and appreciated.

Specific Event Information:

- Review the participant’s file folder with the adult room consultant for up to 5 minutes prior to the presentation.
- Participants may give up to a 5 minute oral presentation of their project to the evaluators. Following the oral presentation, evaluators will have 5 minutes to question participant and determine their knowledge of the subject or to ask for clarification.
- Score the entry and discuss in private with the other evaluators on your team.
- Spend a few minutes reviewing strengths and areas for improvement of the presentation.
- Complete the rubric and initial your rubric next to the “Total Score” box at the bottom of the second page.
- Submit your final rubric and any additional comment sheets to the adult room consultant for review.
- Once the adult room consultant has finished reviewing and totaling the participant’s score, double check for accuracy and initial the Point Summary Form where directed.
- At the end of the day complete the volunteer evaluation form and submit to the youth room consultant.
- Thank the room consultants for their assistance and work throughout the day.

DO NOT INFORM PARTICIPANTS OF THEIR SCORE OR RATING!

The FCCLA Planning Process for Individual and Team Action

The *Planning Process* is a decision-making tool that supports the organization’s overall philosophy about youth-centered leadership and personal growth. It can be used to determine group action in a chapter or class or to plan individual projects.

Go to <http://fcclainc.org/programs/resources.php> to download a blank FCCLA Planning Process template. This template may be modified, but all headings must be used, in the correct order. The FCCLA logo, STAR Events logo, and Planning Process graphics are encouraged but not required.

IDENTIFY CONCERNS

- Brainstorm to generate ideas, or state the activity or problem you want to address if already determined.
- Evaluate your list and narrow it down to a workable idea or project that interests and concerns the majority or all of your members.

SET A GOAL

The arrow stands for deciding which direction you will take. It points toward the goal or end result.

- Get a clear mental picture of what you want to accomplish, and write your ideas down as your goal.
- Make sure your goal is one that can be achieved and evaluated.
- Consider resources available to you.

FORM A PLAN

The square represents the coming together of ideas—the who, what, where, when, and how of your plan.

- Decide what needs to be done to reach your goal.
- Figure out the who, what, where, when, and how.
- List the abilities, skills, and knowledge required on your part.
- List other available resources, such as people, places, publications, and funds.
- Make a workable timetable to keep track of your progress.
- List possible barriers you might face, and develop plans if necessary.
- Decide ways to recognize your accomplishments along the way.

ACT

The different squares in this symbol represent the activities to be carried out to meet your goal. It represents acting on the plan.

- Carry out your group or individual plan.
- Use *family* and *community* members, advisers, committees, task forces, and advisory groups when needed.

FOLLOW UP

The broken squares suggest examining the project piece by piece. This symbol also represents a “window” through which to review and evaluate the plan.
