

Chapter Service Project Display

FCCLA STAR Events Information

(Students Taking Action with Recognition)

Chapter Service Project Display, a team event, recognizes chapters that develop and implement an in-depth service project that makes a worthwhile contribution to families, schools, and communities. Students must use Family and Consumer Sciences content and skills to address and take action on a community need. Participants must prepare a display and an oral presentation.

Chapter Service Project Display

FCCLA STAR Events Information

(Students Taking Action with Recognition)

Examples of Chapter Service Project Display Projects:

"Our service project consisted of raising money for the Wounded Warrior program. We participated in a Veterans Day program, and held a penny drive among other fundraisers for our cause. We raised \$850.00 for this cause and raised awareness in our community about this issue." Louisiana FCCLA Member

"We started with an idea of helping children and then built that idea to find our cause. We wanted to brighten the day of children in the hospital so we came up with an idea of 'Happy Baskets'. After that, we formed a plan to bring 50 'happy baskets' to Nemours Children's Hospital. We started off by asking people in the neighborhoods and businesses to donate money to the children. We accumulated \$471 from the community and used that money to produce 48 baskets." Delaware FCCLA Member

"In this project, we are reviewing our Wellness Committee. This team works during the school year with the use of Student Body to advocate and implement wellness practices. These practices include changes to school policy, new activities, and new wellness equipment in our school and community. Through the Wellness Committee, we encourage students, parents, and teachers to be fit and eat right. We have had many projects this year as a part of this team. A few of these were a Halloween Walk-A-Thon for the elementary, a glow day for the high school, and an upcoming 'Amazing Hike' for the high school. This committee has created huge changes in the school and community in wellness." Colorado FCCLA Member

"For our project, we partnered with a local organization in our community to provide for physical needs and to promote the resources B.A.B.E. provides. We have conducted both a book drive, along with the help of a local business, and a diaper drive through our school. We further plan to have an Easter party and Baby Wash drive with the partnership of Circle of Friends." Indiana FCCLA Member

Chapter Service Project Display By the Numbers: 2017-2018

Participants Nationwide: 632 teams, 1362 participants

Categories: Junior, Senior, Occupational

Type of Event: Leadership

Nationwide Impact: 1,036,574 people

91% of Chapter Service Project Display participants indicated this event is extremely or very useful to their future.
32% of Chapter Service Project Display participants indicated they would pursue higher education related to the career chosen in their project.
