

You are a shining STAR!

Congratulations on your accomplishments which qualified you to represent your state in FCCLA's National Fashion Design STAR Event! Your commitment to individual success has shone through as you developed your own collection, portfolio and presentation for this competitive event. You are on your way to a successful career in the fashion industry.

For nearly two centuries, generations of needle crafters around the world have looked to Coats & Clark for our signature quality and inspiration. Coats & Clark's product range includes thread, zippers, needlework accessories, hand knitting and craft yarns, crochet thread and embroidery floss.

Coats & Clark is part of Coats, the world's leading industrial thread manufacturer and a major player in the Americas textile crafts market. With employees across six continents, and some 50 manufacturing sites, we have an unrivalled global manufacturing footprint. Every month, Coats produces enough thread to stretch all the way to the sun!

Today, Coats continues to innovate by developing new products and applications for threads, engineered yarns, fibers, finishes, and also software solutions.

One day, as a designer you may be incorporating these innovations in to your products.
