## EVALUATOR

### General Information:

- Become familiar with the rules, point summary forms, and the rubric criteria. Question any criteria not understood. Remember that individual state event rules often differ from national event rules, and that national rules must be followed for the national competition.
- Do not request that participants hand you items – instead, please stand up for a closer look.
- When completing the rubric, circle the chosen score. Write the appropriate rating in the points column and write comments on the bottom or back of the rubric. All scores should be whole numbers (i.e. do not give individual rating categories 2.5 out of 5 points.) Specific and constructive written comments serve as a valuable source of feedback for the individuals and teams. Record Total Points. Verify point total and initial by the total point box.
- Remember that students are to follow the rubric and guidelines – please evaluate them according to this criteria and not to what you think they “should” have done (if not required/addressed in the event guidelines).
- Compare ratings with other evaluators and discuss the scores given to each student. The adult room consultant will then total scores and determine the average rating. Together, the evaluators will review the score and come to a consensus on the rating. **Although evaluator scores will vary, we recommend that all three evaluator ratings be within a 10-point range.** If the scores are outside a 10-point range, discuss the criteria and make sure there is a consensus between evaluators to standardize the participants score. Total scores should NOT be rounded.
- Rubrics and point summary forms are to be turned in to the room consultant at the end of the presentation, NOT held by evaluators until the end of the day to be adjusted.
- The decisions of the evaluators are final.

# CAREER EXPLORATION THROUGH FCCLA

FCCLA made a concentrated effort to illustrate the connection of FCCLA and Family and Consumer Sciences (FACS) to career pathways and hosted a focus group to assist us in this process. A survey of business and industry stakeholders found that FCCLA most directly supports career pathways in the hospitality and tourism, visual arts and design, education and training, and human services careers.

FCCLA National Programs and Competitive Events support CTE students' development of knowledge and skills, enhancing the classroom experience and career pathway initiatives. FCCLA is integrated into FACS and is intracurricular, exposing students to work-based learning, business and industry networks, and industry-recognized certifications.
