Thank you to the 2020 National Leadership Conference STAR Event Finalist Award Sponsors! Their generosity and support will help to provide the top three national finalists in every STAR Event with a special award to recognize their hard work and dedication.

Competitive events promote the FCCLA Mission to focus on the multiple roles of family member, wage earner, and community leader. Each event and activity is designed to help members develop specific lifetime skills in character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation. Competitive events provide additional opportunities to showcase college and career-ready knowledge, skills and abilities; promote the FCCLA chapter as an integral part of the Family and Consumer Sciences education program; and to connect with peers and the community.

If you would like to learn more about this opportunity, click [here](#). Or email Abigail Lee, Partnership Manager, at alee@fcclainc.org.
