

## FCCLA 2021 National Leadership Conference Safety and Health Preparedness Plan

FCCLA is preparing the 2021 National Leadership Conference (NLC) in-person experience so that all attendees on site remain safe, healthy, and comfortable throughout the event.

We are monitoring the COVID-19 status and are in constant contact with the Omni Nashville team and local authorities. Please visit the [Centers for Disease Control and Prevention](#) for recommendations on how to protect yourself against COVID-19. You can also review the current health and safety protocols for Nashville and Davidson County [here](#), as well as, the Omni Hotel & Resorts Safe & Clean standards found [here](#)

FCCLA is committed to the health and safety of all attendees while on site for the 2021 NLC. All attendees (advisers, state staff, students, guests, vendors, etc) will be required to complete the FCCLA Personal Commitment and Waiver Form that will be due upon arrival at the FCCLA Registration Desk before admittance into the conference and conference name badge distribution.

The safety and health of all those attending in-person is our top priority. This plan is a living document that will continue to evolve as the venue and local protocols change:
