

The FCCLA Challenge Tests, presented by Goodheart-Willcox (G-W) Publisher, offer FCCLA Members the opportunity to demonstrate their college- and career-readiness skills in Family and Consumer Sciences (FCS) and related occupations. These academic challenge tests cover a wide range of subjects aligned with state and national FCS standards, allowing participants to showcase the skills and knowledge gained from their FCS courses and involvement in FCCLA. The FCCLA Challenge Tests are designed to evaluate participants' abilities through a rigorous assessment exam, with test questions derived from G-W Publisher's curriculum. This ensures that participants are tested on the most relevant and up-to-date information, preparing them for further education and careers in their respective fields.

Level 1 – through grade 8

Level 2 – grades 9 & 10

Level 3 – grades 11 & 12

Level 4 – Postsecondary
