

Intelligent Speed Assistance (ISA) Pilot Project

This Permission and Release Form ("Agreement") is entered into by the undersigned participant ("Participant") and their parent/guardian ("Guardian"), in connection with participation in the Intelligent Speed Assistance (ISA) Pilot Project, sponsored by Family, Career and Community Leaders of America (FCCLA), the National Road Safety Foundation (NRSF), the Governors Highway Safety Association (GHSA), and SCRAM Systems/LifeSafer ("Project Partners").

1. Voluntary Participation

The Participant and Guardian acknowledge and agree that participation in the ISA Pilot Project is completely voluntary. The Participant and Guardian willingly and knowingly agree to participate in this project and understand the expectations, including installation of the ISA device, use of the device for a minimum of six (6) months, participation in check-ins, and providing feedback as requested.

2. Release of Liability

In consideration of being permitted to participate in the ISA Pilot Project, the Participant and Guardian, on behalf of themselves, their heirs, executors, administrators, and assigns, hereby release, discharge, and hold harmless FCCLA, NRSF, GHSA, and SCRAM Systems/LifeSafer, and their respective directors, officers, employees, agents, and representatives from any and all claims, demands, causes of action, or liability of any kind arising out of or related to participation in the project, including but not limited to the installation, use, or removal of the ISA device.

3. No Effect on Insurance or Legal Standing

The Participant and Guardian understand that participation in this project will not affect the Participant or Guardian's automobile insurance rates or standing, nor will participation be reported to law enforcement or other agencies.

4. Use of Data

The Participant and Guardian understand and agree that data collected during this project (driving behavior, survey responses, interviews, etc.) may be used by Project Partners for research, evaluation, and educational purposes only. Data will be analyzed and reported in aggregate form. Individual participants will not be identified by name in public reports or promotional materials.

5. Media Release

The Participant and Guardian grant FCCLA, NRSF, GHSA, and SCRAM Systems/LifeSafer the right to use photos, videos, audio recordings, and quotes from the Participant and Guardian in promotional, educational, and research-related materials, in print, online, and other formats, without compensation.

6. Consent

By signing below, the Participant and Guardian acknowledge that they:

- Have read and understood this Agreement.
- Willingly and knowingly consent to participation in the ISA Pilot Project.
- Release FCCLA, NRSF, GHSA, and SCRAM Systems/LifeSafer from all liability as stated above.
- Grant permission for the use of data and media as described.
