

## 2022-2023 FCCLA® ADVISER ACADEMY Course One

The Adviser Academy, Course One, is a four-track virtual training program open to any adviser with fewer than five years of experience.

Graduates from the Adviser Academy will be recognized at the 2023 National Leadership Conference during the Recognition Session, will receive an FCCLA® certificate of completion and two Continuing Education Units (CEU). Participation in this course is included if enrolled in one of the two temporary chapter relief packages. Those not enrolled in a package can participate at a course fee of \$90. **All courses will be held at 7:00 PM (EST) on the dates indicated below.**

### **Track 1: Developing a Chapter Vision**

Academy participants will explore FCCLA® resources for both in-person and virtual learning. They will also learn about FCCLA® program resources, tools, and integrating FCCLA® into the classroom.

***Virtual Training Date: Monday, November 7, 2022***

### **Track 2: Creating Youth Leaders**

Academy participants will receive training on managing their chapters efficiently and setting organized and attainable goals for the chapter and school year.

***Virtual Training Date: Monday, December 5, 2022***

### **Track 3: Leading at School**

Academy participants will receive training on how to be effective FCS and FCCLA® leaders and communicators in their schools and communities.

***Virtual Training Date: Monday, January 30, 2023***

### **Track 4: Remaining Relevant as a Chapter**

This track will focus on building and maintaining a healthy chapter by working with local media and making connections with business and industry leaders in their communities.

***Virtual Training Date: Monday, March 6, 2023***

During participation in the FCCLA® Adviser Academy, advisers will be required to illustrate a working relationship with their State Adviser and pursue opportunities to support their state association activities. Before completing the application, be sure to communicate your participation to your [State Adviser](#).

Each track of the Adviser Academy will require three to five homework assignments to be completed and submitted via Canvas prior to the subsequent track. Assignments vary from creating chapter resources and writing lesson plans.

To register, you must be an affiliated adviser (or on a pending invoice) with fewer than five years of advising experience and register in the Meeting and Events section of the portal by **November 2, 2022**. For those not enrolled in a chapter relief package, payment is due **November 30, 2022**.
