

2022-2023 FCCLA® ADVISER ACADEMY Course Two

The new Adviser Academy, Course Two, is a four-track virtual training program open to any adviser with five years or more of experience and/or previous Adviser Academy graduates.

Graduates from Adviser Academy Course Two will be recognized at the 2023 National Leadership Conference during the Recognition Session, will receive an FCCLA® certificate of completion and two Continuing Education Units (CEU). Participation in this course is included if enrolled in one of the two temporary chapter relief packages. Those not enrolled in a package can participate at a course fee of \$90. **All courses will be held at 6:00 PM EST on the dates indicated below.**

Track 1: Expand your Chapter Vision

Academy participants will develop skills to implement FCCLA® resources for learning, while integrating FCCLA® resources and programs into their classroom.

Virtual Training Date: Tuesday, November 8, 2022

Track 2: Engaging Ultimate Youth Leaders

Academy participants will receive training on how to provide and emulate leadership qualities through FCCLA® participation and integration.

Virtual Training Date: Tuesday, December 6, 2022

Track 3: Develop a Strong Local Foundation

Academy participants will learn to involve key stakeholders, such as administrators and parents, and gain visibility for FCCLA® by illustrating career exploration and preparation through FCCLA® integration into their classroom.

Virtual Training Date: Tuesday, January 31, 2023

Track 4: Expand your FCCLA® Horizons

Academy participants will focus on building and maintaining a relevant chapter by connecting with local media and creating partnerships with business and industry leaders.

Virtual Training Date: Tuesday, March 7, 2023

During participation in the Adviser Academy, advisers will be required to illustrate a collaborative relationship with their State Adviser and be engaged at the state level. Before completing the application, be sure to communicate participation to your [State Adviser](#).

Each track of the Adviser Academy will require three to five homework assignments to be completed and submitted via Canvas prior to the subsequent track. Assignments vary from creating chapter resources and writing lesson plans.

To register, you must be an affiliated adviser (or on a pending invoice) with fewer than five years of advising experience and register in the Meeting and Events section of the portal by **November 2, 2022**. For those not enrolled in a chapter relief package, payment is due **November 30, 2022**.
