

Chapter Service Project Display

FCCLA STAR Events Information

(Students Taking Action with Recognition)

Chapter Service Project Display, a team event, recognizes chapters that develop and implement an in-depth service project that makes a worthwhile contribution to families, schools, and communities. Students must use Family and Consumer Sciences content and skills to address and take action on a community need. Participants must prepare a display and an oral presentation.

Examples of Chapter Service Project Display Projects:

Our project was to help the homeless teens in our community and school. We conducted a toiletry and clothing drive and divided the donations between our school's homeless closet and a local charity. – Washington FCCLA Member

We worked with our community to create sensory bags for the special education programs in our district. Sensory bags are kits filled with stimulating items to keep children engaged and entertained. An occupational therapist and special education teacher helped us determine what kinds of items were needed. – Nebraska FCCLA Members

Our project brought awareness to sepsis, a life-threatening infection. We raised money and educated our community about this issue. – Kentucky FCCLA Members

Our chapter members volunteer at our local nursing home, helping them with activities. We help them write letters to family members, play games with them, and provide conversation for residents who don't get a lot of visitors. – Iowa FCCLA Members
