

CHAPTER IN REVIEW PORTFOLIO

An individual or *team event* recognizes chapters that develop and implement a well-balanced *Program of Work (POW)* and promote FCCLA and Family and Consumer Sciences to the *community*. Participants must prepare a *portfolio* and an oral presentation.

ELIGIBILITY & GENERAL INFORMATION

1. Review the **STAR Events Front Pages** for all event requirements, policies, and procedures before beginning the project.
2. Participants using an *electronic portfolio* are encouraged to bring a fully charged device (laptop, tablet, etc.) to use during the presentation at the competition.
3. Chapters with multiple entries in this event must submit different projects for each entry. All projects must be developed and completed during the school year leading up to the National Leadership Conference (NLC), within the timeframe July 1 through June 30, and must be the work of the participant(s) only.
4. **Online Orientation** – NLC participants are **encouraged** to view the STAR Events Online Orientation video to ensure they are fully prepared for the NLC. The video will be available in the FCCLA Student Portal under Resources. **Contact your state adviser for orientation procedures for competitions held prior to the NLC.**
5. **STAR Events Schedule Confirmation** – It is **strongly suggested** that chapter advisers confirm participants' STAR Events schedules in the FCCLA Adviser Portal. Advisers can review students' schedules in the FCCLA Adviser Portal by visiting the Meetings & Events tab, selecting the NLC option, and choosing "Confirm STAR Competition." **Confirming schedules in advance helps ensure that participants are qualified, registered for the conference, and competing in the correct STAR Event. Schedule changes after the published deadline are subject to a \$25 change fee.** Please refer to the FCCLA Website (Competitive Events Dates & Deadlines).
6. Participants who do not follow event guidelines, align with the event definition, or address the current event topic will not have their project evaluated. However, they may still participate in the competition by delivering an oral presentation and will be evaluated based on the presentation.
