Activity Day 1: FCCLA Member Monday**Activity Ideas:**

- Member Appreciation Wall: Create a "Member Appreciation Wall" in a prominent location within your school. Write your members' names on the [FCCLA Red Blazer cutout](#), or even cut out pictures and glue them on the blazers! Beneath their blazers, encourage members to reflect on the impact FCCLA has had on their lives. Have them share where FCCLA has led them and how their FCCLA journey will contribute to their future careers.
- Kick-off FCCLA week by having students complete the [My Membership Journey worksheet](#). Provide opportunities for students to share their answers. Provide an FCCLA Red Blazer cutout to take a picture and share on social media using the #FCCLWeek hashtag.
- Have students use the information they learned during the *My Membership Journey* worksheet to create a 30-second PSA to highlight why being a member of FCCLA is an incredible experience.
- Handout the FCCLA Creed Speaking & Interpretation guidelines found on the FCCLA Portal > Resources > Competitive Events > Skill Demonstration Event Guidelines. Challenge them to memorize the FCCLA Creed by Friday! Offer prizes to those who are able to memorize it (extra credit, candy, etc.).
- Instruct students to complete the [Step 1 WebQuest](#) (answers are in the portal)
- Host a chapter breakfast before school to kick off the week for members, and consider inviting teachers to show your appreciation for their support of your chapter.
- Encourage members to share videos on social media about their membership journey or how being a member of FCCLA has impacted them. Then tag National FCCLA and use the #FCCLWeek hashtag.
- Invite a former FCCLA member or someone who has benefited from FCCLA to share their experiences and success stories with your students. This is a great opportunity to connect how the skills they learned in FCCLA helped them in their career.
- As a warm-up activity or a reward for students completing their assignment, have them play the FCCLA Jenga, Spoons and Mania located in the FCCLA Portal > Resources > Lesson Plans.
