

In partnership with FranklinCovey, FCCLA® is hosting a virtual Leadership Academy program that provides members with in-depth training on life-, leadership-, and college-readiness skills that will benefit them as members and throughout their life. Through the Leader in Me platform, participants will work through self-paced materials, videos, and questions, that can be used as leader-led training or standalone learning opportunities.

The cost for each member to participate in FCCLA® Leadership Academy is \$60 per course. This includes access to the platform for the session, as well as weekly virtual discussion sessions facilitated by Leadership Training Team members. After completing the course, members will have the opportunity to earn two (2) college credits through the American College of Education by taking an exam (additional cost: \$65) and scoring an 85% or higher. The testing process is facilitated directly through FranklinCovey.

All questions related to the testing platform must be directed to LeaderU (support@leaderu.us). Participants will receive a discount code to use when signing up for the test in addition to necessary testing information from FCCLA prior to the last course session.

Students must purchase the course in the Student Portal through the E-Store Tab. We will offer the Life Readiness (7 Habits of Highly Effective Teens), Leadership Readiness (Inspire Others), and College Readiness (Take Charge) courses during the 2023-2024 school year. Students who successfully complete the course will be recognized at the National Leadership Conference. Any student who successfully completes the additional exam, earning college credit, will receive an award and be recognized on stage during one of the General Sessions at the National Leadership Conference.

REGISTRATION

To participate, students must purchase the registration in the **FCCLA® Student Portal >E-Store Tab>FranklinCovey FCCLA® Leadership Academy**. <https://affiliation.registtermychapter.com/fccla#>. Log-in credentials and weekly session details will be emailed one week before the session begins, to participants.

To learn more about each of these courses, please visit the website at <https://www.leaderinme.org/student-development-high/>.
