Examples of Hospitality, Tourism, and Recreation Projects:

"Our love for the dramatic and culinary arts have inspired us to make a live dinner theater that will help spread our admiration for these two art forms to our community. Before we were able to develop our business, however, we needed to get a better understanding of what it takes to run a successful dinner theater. We looked up other live dinner theaters to see what they did well and what they could improve on to apply to our project. We also looked up careers in the culinary field. After we did our research, we were fit to start developing our dinner theater. We created a business mission statement, a target client profile, a menu, a seating arrangement, cost, directions, and contact information. This project helped us to learn more about customer service and how to make a business successful." – Arizona FCCLA Member

"We designed a bakery that employs refugees. Dough Re Mi offers international baked goods. Our goal is to expand the palates of the Atlanta population while offering affordable, tasty treats." – Georgia FCCLA Member

"Our business will plan dog runway fashion shows around the United States. These fashion shows are made possible because of different dog foster care organizations of which we help promote the adoption of the dogs." – Oklahoma FCCLA Member

"We had an idea to honor my culture by creating a restaurant concept to offer Nepalese cuisine to our community. Our restaurants' goal is to provide representation of Nepalese food and design. Guests of our restaurant can experience a part of Nepal. We invite natives to come and experience the culture that they cannot obtain anywhere else. Our restaurant concept has a diverse, modern environment. This encourages everyone in our community to feel like home." – Texas FCCLA Member
