FCCLA RED TALKS
As FCCLA’s audience is comprised of both youth and adults, we have modified the exhibitor/partner presentations to better meet the dynamic of advanced learning styles. These workshops are now presented as FCCLA RED Talks, a non-traditional, short and highly engaging 15 minutes or less presentation in the EXPO. We will ask that you make your presentation interactive and no PowerPoint slides will be allowed.

CULINARY DEMONSTRATIONS
Culinary Demonstrations give you the opportunity to show off your culinary skills to a crowd of eager to learn members, advisers, and guests. The demonstration can be instruction on anything from simple knife skills to the creation of an intricate dish. It can also be hands-on presentations that highlight ways for member and advisers to introduce creative and innovative culinary opportunities into their chapters. These demonstrations will run for 30 minutes each and FCCLA will provide you with two (2) electric hot plates. You will be required to bring all other necessary supplies. No food items will be permitted to be shared with the audience. Space is limited so sign up today to secure a spot!

ADVISER TALKS
Chapter and state advisers seeking professional development at National Conferences can find specific sessions on a range of topics related to FCCLA and Family and Consumer Sciences (FCS). Each Adviser Talk workshop is 45 minutes in length and is tied to FCS National Standards, or National Education Standards. Continuing Education Units (CEU) and Professional Development Units (PDU) are available for all sessions.

STATE AND CHAPTER ADVISER NETWORKING ROUNDTABLES
Hundreds of state and chapter advisers attend this very popular networking session! Hosting a table means developing a 10-minute presentation and an accompanying handout.
