

NLC Student Workbook

In order to make the most of the FCCLA 2022 National Leadership Conference (NLC) experience and help provide tangible value to your students' attendance, as well as for those students who are unable to attend, use the following Student Workbook. This resource can help set goals and clearly define objectives so you can parallel your chapter's investment in the conference with all the ways you and your students and chapter members will benefit.

Pre-Event Worksheet: Use this to create a plan and set goals for the National Leadership Conference.

During Event Worksheet: Use this to track students' progress and record what they are learning.

Post-Event Worksheet: Use this to reflect on the conference and to share the information with others.

EXPO Engagement Worksheet: Use this to track the exhibits you visited and want to learn more about now.

This workbook is aligned with the following FCS National Standards:

- 1.2, 1.2, and 1.3 Career, Community and Family Connections*
- 2.2 and 2.3 Consumer and Family Resources*
- 4.1 Education and Early Childhood*
