Examples of Nutrition and Wellness Projects:

“This project impacted my family because my mom and I suffer from Type 2 diabetes. In my project, I tracked what we ate, when, and how much through using a food diary, as well as what type of exercise.” Arizona FCCLA Member

“I tracked my food intake and exercise to help me reach my goal of wrestling at 135 pounds. I used a food tracker and set goals for myself.” Kansas FCCLA Member

“Over five weeks, I tracked food intake and exercise for teachers who volunteered for the project. Each week I gave them a letter, informational flyer, a gift, and personal notes. I made individualized plans for them that included meals, exercise, water, and sleep.” Missouri FCCLA Member

“As a future chef, this project helped me to understand how nutrition positively nourishes the mind, body, and soul.” Ohio FCCLA Member

“Four people in my church youth group agreed to participate in tracking food intake and exercise. I developed three main goals for each of them based on the result of their tracking.” Tennessee FCCLA Member
