

Personal Finance, presented by EVERFI

The FCCLA Personal Finance STAR Event, presented by EVERFI, is a unique opportunity for students to apply their Family and Consumer Sciences and financial literacy knowledge to practical, real-life scenarios. Participants will be tasked with setting financial goals, creating budgets, tracking spending, and adjusting their plans based on insights gained from EVERFI's comprehensive financial education digital lessons. The event promotes financial well-being and empowers students to make informed financial decisions by developing and presenting a detailed financial plan.

The Personal Finance STAR Event is an individual event, open to Levels 1-3. Students will need to:

- 1. Develop a Financial Plan:** Create a detailed and realistic financial plan based on a specific financial scenario or goal. This plan should include; setting financial goals, budgeting, tracking spending, and adjusting plans.
- 2. Apply Financial Literacy:** Utilize knowledge gained from EVERFI's financial education digital lessons to inform and enhance their financial plan.
- 3. Prepare a Presentation:** Develop an audiovisual presentation to effectively communicate the financial plan. This may involve creating visual aids, such as slides or charts, and preparing to discuss the plan clearly.
- 4. Oral Presentation:** Present the financial plan to judges, explaining the rationale behind the financial decisions and demonstrating an understanding of personal finance principles.
- 5. Adhere to Guidelines:** Ensure the project complies with the event's specific criteria and guidelines, including project originality and completion within the designated timeframe.
