Examples of Promote and Publicize FCCLA! Projects:

“I developed an app to promote FCCLA. The app consists of different screens describing some of the national events, STAR Events, and the basic overview of the organization.” Arkansas FCCLA Member

“We created Funky FCCLA to add a little spunk to FCCLA and to grab attention of high schoolers. We wanted to pick something that was trendy and fun for everyone, so we picked a ‘70s theme to create our Instagram and twitter. We researched how social media was relevant to teenagers and how it impacts their everyday decisions. We thought if we promoted it over social media, we could attract more members to join next year. We also created the concept of making trendy merchandise to sell to people to promote the organization and to raise money.” Missouri FCCLA Member

There are graphs that have showed the increase of each class such as Early Childhood, Culinary Arts, Backing, Fashion Design. There are flyers and brochures that have been around the school. We created a letter to all new members that may be wanting to join. While interviewing students and advisers we have seen that all members learned new skills.” New Jersey FCCLA Member

“We used multiple events through the first semester of school to promote membership. We didn’t focus on the number of members but instead the level of activity within our chapter.” Texas FCCLA Member
