

TEACH OR TRAIN

An *individual event*, recognizes participants who demonstrate their ability to explore and experience the career of teaching or training. Participants must prepare a *portfolio* of the teaching/training career, prepare and execute a complete lesson/workshop plan and an oral presentation. Levels 2 and 3 & 4 participants will also complete a shadowing experience of a “best practices” educator.

ELIGIBILITY & GENERAL INFORMATION

1. Review “Eligibility and General Rules for All Levels of Competition” on page 11 prior to event planning and preparation.
2. The project developed for the Teach or Train event does not have to relate to a Family and Consumer Sciences curriculum area.
3. Participants are encouraged to bring fully charged devices such as laptops, tablets, etc., to use for audiovisual or *electronic portfolio* presentation at competitions.
4. Chapters with multiple entries in this event must submit different projects for each entry. All projects must be developed and completed during a one-year span beginning July 1 and ending June 30 of the school year before the National Leadership Conference (NLC) and must be the work of the participant(s) only.
5. National Leadership Conference (NLC) participants are required to view the online orientation video and submit the STAR Events *Online Orientation Form* by the deadline. The video and form will be on the FCCLA Student Portal and can be found under Surveys Applications. Only one form per entry is required. **Contact your [State Adviser](#) for orientation procedures for competitions held prior to the National Leadership Conference (NLC).**
6. Participants who do not follow the event guidelines or the definition of the event, their project will not be considered for evaluation. However, the participant can still participate in the competition by giving an oral presentation and will only be evaluated based on that presentation.

PARTICIPANT TESTIMONIALS

"I shadowed and taught a 3rd grade class. I monitored this class and used my observations to teach a lesson involving sequencing and based off the Arizona Department of Education Standards. For the lesson, I presented a pre/post test and a lecture on using sequencing in the real world."— Arizona FCCLA Member

"My project was a natural fit with my pathway classes and my desire to be an elementary teacher. I was able to teach lessons in two elementary schools."—Georgia FCCLA Member

"I have been studying Family and Consumer Sciences to become a secondary teacher in the field. In order to learn more about this career, I have done extensive research about the requirements and skills needed to be successful. I had the opportunity to both observe and teach in an FCS classroom so that I can gain firsthand experience."— Idaho FCCLA Member

"My project consists of me interviewing and shadowing a teacher, exploring the career and what it takes to become a teacher, and eventually creating my own lesson plan. When creating my own lesson plan, I presented it in front of a series of students. I also did several activities. In my project I also completed the FCCLA Planning Process Summary Page, which helped me out when finding out where things went wrong. My lesson was about teaching students how to eat properly and explaining to them in depth about the food pyramid." South Carolina FCCLA Member

SCHOLARSHIPS

Each year FCCLA's collegiate partners award over 13 million in scholarships to the Top 3 placing Level 3 teams/individuals annually at the National Leadership Conference. Scholarship details can be found on the FCCLA Website.

TEACH OR TRAIN GUIDELINES AND RUBRICS

The STAR Events Guidelines and rubrics are updated annually, and they are an exclusive benefit for FCCLA members. Advisers and members can access and download the guidelines from the FCCLA Portal.
