

As your chapter embarks on the journey to becoming an Ultimate Chapter, use this tracker to mark your progress toward completing 55 opportunities. Each cloud represents one opportunity, and as your chapter completes each milestone, color in a cloud to celebrate your achievement. In line with this year's theme, Dare to Dream, these clouds symbolize your chapter's aspirations and the limitless potential of your members. Let the skies be your guide as you work toward earning the Ultimate Chapter Award—fill in each cloud as you bring your dreams closer to reality!
